O R D E R

On April 23, 2012, BellSouth Telecommunications, Inc. d/b/a AT&T Kentucky ("AT&T Kentucky") provided written notice to the Commission of its intent to disconnect American Dial Tone, Inc. f/k/a Ganaco, Inc. ("American Dial Tone.")

AT&T Kentucky requests authorization to invoke its Emergency Service Continuity Tariff approved by this Commission on May 20, 2003 in Case No. 2002-00310.¹ Invoking this tariff is necessary only if American Dial Tone has not notified its end-users of the service disconnection. If the Emergency Service Continuity Tariff is invoked, AT&T Kentucky will continue to provide telephone service to American Dial Tone's customers for a minimum of 14 days after American Dial Tone ceases to operate. AT&T Kentucky has notified the Commission that the disconnection of American Dial Tone will affect less than 20 customers in Kentucky.²

The Commission, having reviewed AT&T Kentucky's notice and having been otherwise sufficiently advised, HEREBY ORDERS that:

Dear Mr. Derouen:

Pursuant to the Kentucky PSC's May 20, 2003 order in KY PSC Case No. 2002-0310, AT&T Kentucky is providing notice to the Kentucky Public Service Commission (PSC) of AT&T Kentucky's intent to disconnect American Dial Tone, Inc. f/k/a Ganoco, Inc. ("ADT") for non-payment, May 9, 2012.

AT&T Kentucky's records indicated that ADT is delinquent in payments of its bills to AT&T Kentucky. Attempts to collect past due amounts from ADT have been unsuccessful. AT&T has sent a written notification to ADT informing them of AT&T's intent to suspend or terminate service consistent with the terms and conditions of the Interconnection Agreement between ADT and AT&T Kentucky. As of today, AT&T Kentucky has received no payment from ADT and we seek to begin discontinuance of service on May 9, 2012. Disconnection of ADT services will affect fewer than 20 customers.

Under terms of their agreement, ADT is solely responsible for notifying its end users of the proposed service disconnection. AT&T Kentucky is copying ADT to remind them of their obligation to notify their end users of this situation regarding pending disconnection of services.

Should the Commission determine the need to invoke AT&T Kentucky's Emergency Service Continuity Tariff, AT&T Kentucky will take steps to notify the affected end users and inform them that they may continue to receive telecommunications services through The Emergency Services Continuity Plan for a minimum of fourteen (14) days and that the end user must transition to a new service provider.

If there are any questions or the need for additional information concerning this filing, please call me at 502/582-2164.

Very truly yours,

Tony Taylor
